Planning an event? Think outside the box and go a little wild!

The many event locations at the San Diego Zoo Safari Park can help set your event apart from the rest with its beautiful settings and exotic wildlife. Whether your “herd” is gathering for a meeting, wedding, corporate team building, reception, family reunion, company picnic, conference or appreciation event, the decidedly unique venues at the Safari Park will have your guests trumpeting about the experience!

Located just 30 miles north of the Zoo, the Safari Park is a very different and exciting zoo experience. Enter the grounds, and it is as if you have stepped into Africa – without the plane ride! Hunte Nairobi Pavilion, the largest and most centrally located event space at the Park is a round room – modeled after traditional African architecture. The other venues scattered throughout the Park offer views of giraffes, rhinos, exotic hoof stock and waterfowl paddling on a peaceful lagoon.

Of course, the fresh and unique venues are just one reason to plan your event at the Safari Park. Your guests will not only take in the thousands of exotic animals, but enjoy our gorgeous views and diverse and delicious catering selections. You can even arrange to have one (or more) of our many animal ambassadors make a guest appearance at your event and/or arrange for a guest speaker that will be sure to energize and inspire your group!

Whatever kind of event you have in mind, the Safari Park is ready to make it memorable. Our Event Coordinators and Sales Specialists take great pride in customizing every event to make it the best yet. From guidance in choosing the best location, to helping select from our amazing cuisine options, our Coordinators are with you every step of the way – even on the day of the event!
